1. MAKE, BAKE or CREATE Challenge

Woody Guthrie's 1943 'New Year's Rulins' include: *Keep HOPE machine running.*
Design a 'Hope Machine' for 2021.

2. THINK AGAIN...

...about our brave and brilliant NHS Staff. We have so much to thank them for this week as they continue to care for an ever-increasing number of sick patients in intensive care units across the country. Look at the Charlie Mackesy (CM) illustrations above and draw your own CM style thank you to the NHS.

3. OUR RALLY CALLS

As part of last week's Family Funky Fridays, Mrs. Rescorla posted an activity linked to Queen's song 'The Show Must Go On,' which is our Rally Call. She asked you to let her know what song is your Rally Call. Here is a list of some of your ideas: *Three Little Birds*, Bob Marley; *I'm still Standing*, Elton John; *Eye of the Tiger*, Survivor; *Islands in the Stream*, Dolly Parton and Kenny Rogers; *Count on Me*, Bruno Mars. You could make your own *Marazion Rally Call Playlist*.

4. TALK the WALK

All of us went on many more walks last year and are now still going on walks more often. Do you have the same walk that you have done many times where you notice the changes the seasons bring; the familiar landmarks that you have created; the unusual things that are different some days? Then, please 'Talk the Walk' – record yourself on the walk and describe what is happening on that day. You can upload your talks on Seesaw.

5. SING ALONG...

...with Nathan Evans (and others) to the Sea Shanty *Wellerman*. Nathen is a Scottish postman – his music has got more than 4 million views on social media, prompting an array of diverse arrangements of the song #seashanty

7. ALL YOU NEED IS...Prince playing the guitar

Marvel this week at Prince playing the guitar with Tom Petty, Steve Winwood, Jeff Lynne and others, performing "While My Guitar Gently Weeps" at the 2004 Hall of Fame Inductions as part of a tribute to George Harrison. Prince is in the red hat and his super MARVELlous guitar solo starts @ 3.30ish. Look out for George Harrison's son's smile as Prince is playing - he's just as excited as anyone in the audience to be there watching these amazing musicians that surround him. Some would say that perhaps Prince's guitar wept the loudest! Also, Prince throws his guitar into the air (without knocking his hat off!) at the end of the song and you don't see it fall back down. Where did it go?!
