

Marazion School

Online Performance Appendix

This year it is clear that school celebrations are going to be different. Marazion School is hosting annual Christmas performances for 2020 virtually.

Although we won't be gathering together to celebrate, it does mean that we are able to watch performances in the comfort of our own homes without having to juggle existing work/life commitments 😊

Policy and Technology

- Staff are aware of safeguarding policies and protocols, including COVID-19 appendix to these policies
- Marazion School performances are pre-recorded
- Marazion School pre-recorded performances are posted via the school's YouTube account and the link is shared through parental engagement platform (Seesaw) so that they can be viewed by children's families
- Video links posted on Seesaw are only accessible with a password and comply with GDPR. **It is important that you do not share your Seesaw password on social media or with people outside of your family**
- Links to the videos of performances will be shared to EVERY child's Seesaw account. Parents have the Seesaw login details for their child/children and ONLY have access to their child's/children's account on Seesaw
