### Summer 1 precept:

**“Do the best you can until you know better. Then when you know better, do better.” Maya Angelou**

Dear Parents,

Welcome back to the summer term 😊 We are hoping for lots of sunny days and getting out and about more, as long as it is safe to do so. Please see information below about current COVID-19 restrictions. A reminder that children need to wear usual school uniform to school, including black shoes, except on PE Days when children should come to school in PE kit. PE kit is grey/black joggers, leggings or shorts and a white t-shirt. PE Days are as follows: Love - Monday and Thursday; Hope - Monday and Thursday; Faith - Monday and Wednesday; Courage - Monday and Friday; Empowerment - Tuesday and Wednesday.

### Current Covid-19 Restrictions

A reminder that some of the rules on what you can and cannot do changed on 12<sup>th</sup> April. For more information, follow the link below.

## 7 Songs for the G7

The local project linked to the G7 Summit in June - *7 Songs for G7*- that we are involved in has just got bigger! As well as Courage working with Stoke Climsland School to record Tanya Brittain's song (*Hey Human*) Tanya has also decided to release this version of her song on her own record label. Wow!

## 2021 Marazion Governors' Competition (MGC)

Congratulations to Darcy who is the first winner of this year's MGC! Children were asked to design a lockdown rainbow, which reminded us of 'times like these' to be painted in school by our Lovely Art Ladies. Emma and Lesley were in school over the holidays and have painted Darcy's rainbow over the blue sofa in our learning space - a photo of Darcy's rainbow in school is attached electronically and available on the school website. We hope to have several more rainbows painted in and around school during the summer term 😊

## In School

**Suncream and hats:** Please note that, as we are spending more time outside than we normally do, it is important that you send your child into school with a named bottle of sun cream and a suitable hat to screen them from the sun. This is important for children in all classes. Thanks. **School Visits:** **Courage** are launching their new topic on Thursday 29<sup>th</sup> April at the beach - making boats from natural and recycled resources which they are gathering on their class Beach Clean the day before, Wednesday 28<sup>th</sup> April. Please can children bring any items from home: plastic bottles, mushroom trays, wooden skewers and plastic bags for sails. Please can you send your child into school with a change of shoes for both days - this can either be wellies or something that you do not mind getting sandy and perhaps wet. Thanks. Children are back in school for normal finish time. **Hope** are also launching their new topic on Monday 26<sup>th</sup> April in Marazion Town. Children are having their lunch on the beach (lunch is provided by school) and they are back in school for normal finish time. Please can children wear comfortable shoes for walking and have a named bottle of sun cream and a hat if the weather is hot and a warm waterproof coat if it is cold and wet. Children also need a drinks bottle. Thanks. **Family Worker (FW) Visit:** Sally Sharp (FW) will be in school on the afternoon of Wednesday 28<sup>th</sup> April. She will be available to chat individually with parents about any concerns you may have about your child. This could be offering advice and support about healthy eating, day to day routines, sleeping, behaviour or anything else you are worried about. If you would like an appointment, please email Sara Oliver or ring school 😊 **Parents' Meetings (PMs):** PMs are w/c Monday 24<sup>th</sup> May across all classes, via Teams or Zoom. There will be more information nearer the time - this will be sent out by email from class teachers.

## Say Thank you to Someone Somehow

Lots of us said THANK YOU to lots of different people during lockdown, including taking part in the NHS Clap for Carers. We want to keep doing this, so every week one class will choose who they want to say thank you to. **This week WE want to celebrate the life of Prince Philip.** He was an inspirational man that touched the lives of many, many people. He lived a life of utter dedication, love and service to the Queen. He also created the 'Duke of Edinburgh' Award, which recognised the power and wonder of encouraging young people to spend time and have adventures outside. We also clapped together as a whole school to say thank you during today's Zoom Celebration Assembly.

## PE and School Sport

**Games Afternoon (GAs):** GAs are back! Mr Tanner is working outside across all classes leading our PE and sport curriculum. Please note that in bad weather children will do an alternative PE session within their class bubble, led by their class team. **Gym and Swimming Sessions:** We are very much looking forward to restarting our gym (children in Love) and swimming sessions (Year 6) after half

term - they are booked! More details nearer the time. **Optional PE Homework:** For April we are asking you to complete one of the daily active challenges that have been posted over this half term each day - they only take 60 seconds. Choose which ones you would like to do and report the results back to Mr Tanner. Each class has a copy of the daily activities list.

### Marazion Playing Field Playground

We are all loving the new fantastic playground on the playing field and it has been fabulous to see so many families spending time there at the end of the school day - reconnecting in the sunshine. Recently we have received reports about some anti-social behaviour, which has involved some children at our school and some of the older children that have recently left Marazion School. This behaviour is unacceptable and, if you witness anything that concerns you, please inform the school office on 01736 710618, the Marazion Town Clerk at [Tracey.Unstead@maraziontowncouncil.gov.uk](mailto:Tracey.Unstead@maraziontowncouncil.gov.uk) and phone the Police on 101 if it is a non-emergency or dial 999 if you consider it to be a more serious problem. We are so lucky to have this wonderful space and we all have a duty to keep it a safe and happy place for us all to enjoy.

### Stars of the Week

**In Class:** Love: **Jack P** for his amazing art work; Hope: **Anna** for her fabulous attitude to learning; Faith: **Jack J** for being incredible in all his learning and for being super kind, Courage: **Talak** for outstanding contributions to the class. Empowerment: **Christina** for a fabulous attitude and for showing perseverance. **Sporting:** YR/KS1: **Pheobe** for marvellous long distance running. KS2: **Nahla** for tremendous cricket skills and for being a fantastic score keeper. **Music:** YR/KS1: **Destiny** for brilliant singing in music time; KS2: **Lamorna** for her superb effort in 'Hey Human' singing practice.

### Certificate Awards

No certificates have been awarded so far this term.
