

RAINBOW IDEAS – w/c 11th May

The SAME:

1. MAKE or BAKE Challenge - say THANKYOU to someone somehow

I have written to Beryl who lives at 'Courtlands' to say thank you for the card she sent to Marazion School. I have also included a picture of a heart rainbow that she can stick on her window.

2. Take part in THANK YOU Thursdays with the GREAT BRITISH SINGALONG @ 9am and CLAPPING for the NHS @ 8pm

I will be singing with Radio1; Radio 2; 6 Music; 1Xtra and the Asian Network in the morning and clapping along with my neighbours from my front garden in the evening (actually I bang a pan with a spoon instead!)

3. READ a poem – maybe LEARN it BY HEART

This time it is an extract from the song/poem 'PEOPLE'S FACES' by Kate Tempest. This song means a lot to us as we listened to it every Monday in the autumn term as part of one of our assembly themes. I know some of you already know this off by heart! The words are hopeful and describe the power of us all being there for each other...just like we are now ☺

4. LEARN something NEW

I am learning how to sand down and oil the wooden worktops in my kitchen

5. Some CULTURE in QUARANTINE

This week the gift of *Shakespeare* – to celebrate *Shakespeare's* birthday, the general public and leading actors were asked to perform parts of 3 of *Shakespeare's* iconic speeches from their places of quarantine. Follow the link below to see how all this has been put together. It's amazing!

DIFFERENT:

1. Create a climate change poster for your wall. You choose the theme...rising sea levels; save the trees; save an animal; use less plastic; reduce your carbon footprint. You can watch the 'Big Yellow Taxi' video again in activities for some ideas of illustrations to use in your poster

2. Write a letter / draw a picture for Beryl. You can post it; you can upload a picture of it to Seesaw and we can send it to Beryl or just display it somewhere in your house to remind you to think about Beryl and all the other older people who might be lonely at this time

3. Make another playlist of songs - this time linked to climate change - protest songs; animal songs; songs about nature; songs about the sea...or a mix of lots of themes

4. Explore the BBC sport archives with Radio 5 Live 'Replay'

Last week I listened to Nicola Adams winning gold at the 2012 Olympics

5. Be active!

Last week I did more dancing at another Kitchen Disco (obviously in my kitchen!).

I will be posting Rainbow Ideas catch up during this week!
